## Internships

**Research Consultant** | WorldQuant Brain

June 2023 - Present

- Developed equity long-short market neutral trading algorithms (**Alpha**) using build reversion, fundamental data, price-volume and sentiment data strategies along with various data-fields and operators Backtested and simulated the strategies over the last 6 years of data on WorldQuant's Proprietary software to ensure the strategies' profitability and performance.

**Crypto Quant Analyst** | Acube

February 2024 - April 2024

- Interned as a Quantitative Analyst at Binance, proficient in API data retrieval and analysis. Developed successful trading strategies leveraging data from Binance API. Applied quantitative methods to optimize trading performance. Contributed to the creation and implementation of effective algorithms.

**Software Development Intern** | Standard Chartered GBS

May 2024 - July 2024

- Developed a real-time dashboard for the ICDMS and CRC teams to track pending, completed, and overdue cases, and visualize data through interactive charts and graphs.
- Created a query builder with a user-friendly GUI for executing SQL operations like joins, group by, and aggregations (sum, count, min, max, average), and saving results for dashboard visualization.
- Utilized a tech stack including React, Java Spring Boot, PostgreSQL, Maven, and VS Code.

## Projects

**Training Neural Networks to play Connect-4 game** | IIT Roorkee

August 2022 - November 2022

- Transformed gaming with advanced machine learning, crafting a brilliant AI opponent that outshines with superior decision-making.
- Created the bot utilizing a cutting-edge hybrid approach, combining a mini-max algorithm with neural networks, resulting in a highly competitive and adaptable game-playing AI
- Demonstrated the potential of neural networks for gaming applications.

**Analysis of Advection Diffusion Reaction using PINN** | IIT Roorkee

January 2023 - May 2023

- Experienced project lead utilizing Physics-Informed Neural Networks (PINNs) to estimate Advection Diffusion Reaction equation solutions.
- Conducted comprehensive analysis of error metrics for point selection, leveraging First Derivative Constraint (FDC), orthogonal grids, and uniform selection methods to optimize training accuracy.

## Awards / Scholarships / Academic Achievements

- Meta Hackercup 2023 Round 2
- Global Rank 8 Codechef Starters 72, 2023
- Global Rank 13 International Quant Championship (World Quant Round-1), 2023
- Global Rank 44 Codechef Starters 92, 2023
- Global Rank 64 Codeforces Round 867, 2023
- Global Rank 141 ICPC 2023 Online Spring Challenge powered by Huawei, 2023
- National finalist in International Quant Championship 2023
- Secured an AIR of 6476 in JEE Advance'20
- Scored 99.36 percentile in JEE Main'20

---

## Skills

Computer languages	Python, C++, ReactJs, HTML, CSS
Software Packages	Pandas, Numpy, Seaborn, scikit-learn, Tensorflow, Spring boot
Additional Courses	Machine Learning by Andrew Ng , Google Advanced Data Analytics , Data Mining , Design and Analysis of Algorithms
Languages Known	English , Hindi

---

## Positions of Responsibility & Extra Curriculars

**Competitive Programmer** | Online judges

September 2021 - Present

- Active member on various online judges including Codeforces, Codechef, Atcoder and Leetcode
- Codechef maximum rating : 2066 (Handle: bestbeingsande)
- Codeforces maximum rating : 1692- Expert (Handle: Sandeep5445)
- Atcoder maximum rating : 1031 (Handle: Sandeep1132)

**Cadet** | NCC

November 2020 - Present

- Proficiency holder in NCC, and participated in various campus activities. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens.

**Member** | Hockey IIT Roorkee

January 2022 - August 2022

- Member of the institute's hockey team. Secured 2st position in Institute Colors Trophy 2022 (Silver)

**Maintenance Council Member** | Radhakrishnan Bhawan IIT Roorkee

October 2022 - Present

- Working as Maintenance Council Member in Radhakrishnan Bhawan.
- Collaborate with other council members and hostel management to develop a maintenance plan for the hostel.

**Mentor** | Student Mentorship Program, IIT Roorkee

September 2024 - Present

- Served as a mentor to 5 students to provide a broader perspective of the opportunities and challenges at IIT Roorkee. Mentored them for academic as well as overall development.
